TENDER No.: AE/001/2023-24/HQ/W/56

Clarification No. 2

Date: 3rd June 2024

With reference to the questions/queries raised by the prospective bidders and pursuant to Instructions to Bidders ITB 7.1, TANROADS is herewith providing clarifications as follows: -

Ref.	Issue/Questions	Clarification/Responses
Bid Security	After review of the Bid Security in the Tender Document, we found that "...Instructions of the Bidder, and (b) if the Applicant is not the successful Bidder" could probably have a mistake. Please kindly confirm that the description should be "Instruction of the Bidder, or (b) if the Applicant is not the successful Bidder".	The Bidder is advised to read carefully para 4 of sample format of Bid Security as there is no mistake noted on the same and even Bidder's query does not show any difference in the two.

<p>Para 3 of the Invitation for Bids and Section III: Evaluation and Qualifications Criteria (Section 2.4.2 – Specific experience)</p>	<p>Para 3 of the Invitation for Bids it is stated that "...to qualify for award of the contract they are required to meet certain minimum qualifying criteria as stipulated in Section III: Evaluation and Qualification Criteria (without pre-qualification) of the Bidding Document. It should be noted that Bidders must be able to demonstrate that, in the capacity as a prime contractor, JV Member, Sub-contractor, or Management contractor, they should have successfully completed at least two (2) contracts of similar nature and complexity within the last ten (10) years implemented as building or civil works contractor, but with a total value of all contracts equal or more than USD 20 million equivalent", but also under Section III: Evaluation and Qualification criteria sub-section 2.4.2 in table it is stated that "(a)Participation as contractor, management contractor, or subcontractor, in at least two (2) contracts within the last ten (10) years prior to the applications submission deadline, each with a value of at least US\$ 15,000,000 (Fifteen Million United States Dollars), that have been successfully and substantially completed and that are similar to the proposed Works. The similarity shall be based on the physical size, complexity, methods/technology or other characteristics as described in Section IV, Bidding Forms".</p>	<p>Sub-section 2.4.2 on Specific Experience as described under Section III: Evaluation and Qualification Criteria, shall prevail.</p>
<p>Query: Out of Para 3 of the Invitation for Bids and Sub-section 2.4.2 on Specific Experience as described under Section III: Evaluation and Qualification Criteria, please clarify by which clause bidders to follow.</p>
