4. PROCEEDINGS

4.1 Briefing on the Tender Opening Session

The Chairperson opened the Tender Opening Session at 10:10 hours local time and welcomed the on-line and physical participants to the opening session. He informed that the Opening Session was in respect of the tender for Construction of Dar es Salaam Bus Rapid Transit (BRT) Infrastructure – Phase 3 – Lot 1: Road Works (23.33 Km) including Bus Stations along Azikiwe/Maktaba, Bibi Titi/Nyerere Road, Tazara/Uhuru Road and Shaurimoyo/Lindi Streets, Tender No. AE/001/2019-20/HQ/W/03. The Chairperson read out the Agenda to be followed and thereafter, he requested participants to introduce themselves and complete the Attendance Form.

After the introduction, participants were briefed on events leading to the opening session as follows:

- a) The tender was published online through TANROADS website on 2nd June 2020 and it was freely accessible to every interested bidder/person.
- b) The original deadline for submission of tenders was on 4th August 2020 at 10.00 local hours. However, the deadline was extended until 23rd November 2020 following necessity to amend the bidding documents due to discrepancies noted by bidders. There were five clarifications and six addenda issued to the bidders.
- c) By the submission deadline, more than 100 bidders/persons had downloaded the tender documents from the website.
- d) By the submission deadline, number of bids received per option method of submission were as follows: -

No	Submission Option	Number of Tender Received
1	Physical submission (original)	8
2	Option 1 - bid send by e-mail to Embassy	0
3	Option 2 - bids by e-mail through local representatives	0
4	Option 3 - Submission of the bid by Electronic e-mail (EM):	1
	TOTAL	9

- e) The Bidding document stipulated that tenders would be opened immediately after the deadline for submission; i.e. immediately after 10:00 hours local time on 23rd November, 2020.

After briefing and presentation of the opening procedure, the Chairperson requested Bidders' representatives to nominate a representative from among them to verify the information to be read out. Mr. Dhaval Soni of M/s AFCONS Infrastructure was nominated as Bidders' representative to verify the readout information.

5. OPENING OF TENDERS

Envelopes were to be opened in the order of registration for the physically submitted bids. The Emailed bids were to be announced afterwards the process of printing them would start while opening of physically submitted bids continues. The Emailed bids would be read out immediately after completion of opening of physically submitted bids, announcing the number of copies submitted in addition to the original documents.

Before opening of physically submitted bids, each envelope was checked in turn in the order of registration to ensure that:

- (i) It was marked with the correct information on the outer envelope;
- (ii) it was properly sealed; and
- (iii) all the envelopes/parcels bore the correct address and information on the external cover and were properly sealed.

As each envelope was being opened, external covers of enclosed documents (originals and copies) were marked the number that was previously marked on the external envelope.

The following documents/information were verified:

- (i) Name of the Bidder,
- (ii) Bid Price;
- (iii) Whether Letter of Bid is signed
- (iv) Whether amount in the Letter of Bid matches the amount in the BOQ Grand Summary Page;
- (v) Alternative Bid Price, if any,
- (vi) Discounts, if any,
- (vii) Presence or absence of the Bid Security; and
- (viii) Presence or absence of the Power of Attorney of the Signatory of the Bid.

After verification of the information/documents as indicated above, the Secretariat announced to participants contents of the verified information. The readout information was also recorded and Mr. Dhaval Soni, the Bidders' representative, verified the same.

The names of Bidders and read out bid prices are shown in the table below:
