3. ARRIVING AT TANROADS DAR ES SALAAM REGIONAL MANAGER'S OFFICE

Employer's representatives together with Bidders arrived between 10:00 – 10:40 Hours at TANROADS Dar es Salaam Regional Manager's Office at Dar es Salaam where the pre-bid meeting was convened.

4. OPENING OF THE MEETING

The Chairperson opened the meeting at 10:40 hours and welcomed all participants, followed by self-introduction. After the introduction, the Chairperson clarified that the Pre-bid Meeting was arranged for receiving queries (if any) from Bidders. However, in order to ensure that raised queries are robust and can enable preparation of competitive bids it was advised that queries be raised after site visit as the bidders will be conversant with the physical conditions of the site and scopes of Works. After concurrence on management of queries, the Chairperson asked Eng. Rottson Kabalika from TANROADS Headquarter to give brief on objective and scope of the projects.

5. BRIEFING ON OBJECTIVE OF THE PROJECT.

The bidders were informed that the overall objective of the project is Road Safety Strengthening along Bus Rapid Transit (BRT) Phase 1 Corridor. He further explained that the project intends to eliminate/alleviate bottleneck that road users are experiencing between Ubungo Flyover and Kimara Mwisho. It was also clarified that some activities under this project involve construction of loop roads to alleviate traffic jams that occur around road junctions and traffic lights along Morogoro road and Kawawa road and cause elongation of BRT buses' travel times. He pointed out that upgrading of Ferry access to Kivukoni Bus Terminal into two dual carriage ways intends to improve ferrying process of passengers and vehicles.

6. CLOSING OF THE PRE-BID MEETING

The Chairperson informed the Bidders that a Site Visit will start at Ubungo flyover towards Kimara Mwisho then will proceed to visit locations where loop roads shall be constructed along Morogoro, Kawawa and Msimbazi Roads and other road sections to be rehabilitated and would terminate at Kivukoni Bus Terminal. The Pre-bid Meeting was closed by the Chairperson at 11:10 hours.

7. SITE VISIT

The Site Visit started at Ubungo flyover towards Kimara Mwisho. Stoppages for brief descriptions on site and clarification of scope of Works were made at Kijazi Interchange and Kimara Butcher, where bidders informed on relocation of water utilities, then proceeded to Kimara Mwisho at point where widening of Ubungo – Kimara Road Section starts/ends.

The site visits also covered locations where loop roads shall be constructed along Morogoro and Kawawa Roads then ended at ferry access road, Kivukoni Bus Terminal as planned.

8. QUESTIONS AND RESPONSES

Right after conclusion of the site visit at Kivukoni Bus Terminal, bidders were requested to raise queries (if any) as agreed in the pre-bid meeting. The Employer's representative requested Bidders to submit their queries (if any) via e-mail in time, as there were no queries received from the prospective Bidders upon conclusion of the site visit. Bidders agreed that they would submit their queries (if any) in written form through email.

9. CLOSING OF SITE VISIT

The Site Visit ended at 13:50 Hours, after which the participants returned to their respective destinations.
